## Organisational skills and competences

I worked in administration positions (vice-rector of ITU, member of the University Senate, head of the department, director of the research centre, etc.). I was involved and chaired by several urban planning teams at the national and international levels. I also formed groups for urban design, planning, and conservation projects. I participated in national and international conferences such as IPHS 2010 (Conference Convenor) and CIPA 2004 (Co-Chair). I am currently a Member of the Board and Secretary-General of the International Planning History Society (IPHS) and a Council Member of Europa Nostra and ICOMOS CIVVIH Group at the international level. At the national level, a Europa Nostra Turkey and ICOMOS Turkey member.

My primary areas of interest are urban design, urban conservation, development strategies for the historic part of the urban areas, and detailed physical outdoor space design. My professional experience includes urban conservation studies, master plans, management plans, and urban design. I have several national and international publications, research and implementation projects on these topics in Turkish and English. I worked on the "Istanbul Project: Zeyrek, Süleymaniye, and Yenikapı" supported by UNESCO WHC, "Istanbul Earthquake Master Plan", prepared for the Greater Istanbul Municipality, "Technopark Project" designed for Istanbul Technical University, and "Technocity Research Project" for Greater Istanbul Municipality. I also conducted the "Prizren (Kosova) Conservation and Development Plan", "Prizren Municipal Development Plan", "Istanbul Historic Peninsula Management Plan", and "Eskişehir Risky Area Urban Development Project".

## Computer skills and competences

I have computer-aided design skills.

## Artistic skills and competences

I have entered many design competitions and received various awards at the national and international levels. I received the European Union Europa Nostra Award (2004) and the Economic Cooperation Organization Award (2002) with my group.

## Driving licence

I have a driving license

## **NURAN ZEREN GÜLERSOY**

Nuran Zeren Gülersoy graduated as an architect from Istanbul Technical University (1974, ITU) and received her master's degree (1977, ITU) and her doctorate (1981, ITU) in urban planning. She worked for the Faculty of Architecture of ITU between 1977 and 2018. Currently, she is the Head of the Department of Architecture within the Faculty of Art, Design and Architecture at FMV Işık University, Istanbul.

She previously worked in administrative positions as Vice-Rector, member of the University Senate, Head of Department, and Director of the Urban Research Centre and Social Science Institute at ITU. At the international level, she is currently a Board Member and Secretary-General of the International Planning History Society (IPHS), a Council Member of Europa Nostra, ICOMOS CIVVIH (The International Committee on Historic Cities, Towns and Villages), and OWH Our World Heritage Group. She is a member of Europa Nostra Turkey, ICOMOS Turkey, TEMA Foundation, Chamber of Architects at the national level.

Her primary areas of interest are urban design, urban conservation, development strategies for the historic part of the urban areas, and detailed physical outdoor space design. Her professional experience includes urban conservation studies, master plans, management and strategic plans. She has several national and international research reports and publications in both Turkish and English.

She was involved in national and international congress and conference organisations such as IPHS 2010 (Conference Convenor) and CIPA 2004 (Co-Chair). As part of a group, she has awarded the Category 2: Outstanding Study award at the European Union Prize For Cultural Heritage / Europe Nostra Awards in 2004, and the ECO 2002 (Economic Cooperation Organization) Award, in History, Culture and Fine Arts. She participated in several UNESCO and ICOMOS Workshops and Missions as an expert. She also formed groups for urban design, planning, and conservation projects. She worked on the "Istanbul Project: Zeyrek, Süleymaniye and Yenikapı" supported by UNESCO WHC, "Istanbul Earthquake Master Plan", and prepared for the Greater Istanbul Municipality, "Technopark Project" designed for Istanbul Technical University, and "Technocity Research Project" for Greater Istanbul Municipality. She also conducted the "Prizren (Kosova) Conservation and Development Plan", "Prizren Municipal Development Plan", "Istanbul Historic Peninsula Management Plan", "Küçükyalı Archaeopark Management Plan" and "Eskişehir Risky Area Urban Development Project".
